Virtual Youth Camp FAQs

What is a day in virtual/online camp like?

The online camp day runs from 9 a.m. to noon, Monday through Friday. Each morning, campers log into a password protected Zoom video call (link and information for login provided with registration packet). Once campers log into the Zoom video call, they are moved into breakout classes in visual art, dance, and drama. Campers have a short break between each class.

My child is a teenager, but I see that camp is for ages 7 to 14. How can they be involved?

Teens can take an art class, or volunteer at camps. If interested in volunteering, send an email at volunteer@phoenixcenterforthearts.org.

What should my child wear during virtual camp?

Campers will be active and may get a bit messy during camp. Please make sure campers are wearing clothing that they can dance, paint, and play in each day. Flip-flops not recommended.

What space should my child use to attend online camp?

Any space in your home that has access to the computer, a work surface for visual art that can get a little bit messy, and room to move around in a circle with arms stretched wide open.

What about supplies?

Parents/Guardians will pick up a Mystery Box the week before camp begins, full of all the supplies needed for camp. Detailed pickup instructions are provided upon registration.

When and what is the Camp Performance?

The performance takes place virtually on the morning of on the last Friday of each camp session. It is a chance for campers to share all they have worked to create!

Can my child be in the same group as their sibling or friend?

Campers are grouped by age to allow for the highest quality arts instruction. We know art can be more fun with friends and will do our best to place friends/siblings of similar age together.

When will parents and campers receive additional information about camp?

A packet including Rising Youth's Arts Camp Information and Policies, Parent & Child Information Sheet, and Waiver & Release will be emailed before camp begins.
